

People helping people to create a safe and socially responsible community.

OUR MISSION & PURPOSE

MAAP, Inc. is certified by the state of California with services that reach throughout the Sacramento County region. Our mission is to provide counseling and case management assistance to individuals and families experiencing issues surrounding substance abuse and/or mental health challenges through prevention, education, and treatment services leading to a safer and more socially responsible community.

MAAP is fortunate to have a multicultural staff representing many ethnicities to address the needs of our North and South area regions which are some of the most impoverished areas in the State.

It is MAAP's objective to efficiently respond to the needs of adults experiencing substance abuse, and mental health issues within our community.

Reaching People, Touching Lives

MAAP Inc. is licensed by the State of California Department of Alcohol and Drug Programs. We are also a CARE Assessment Center, Treatment/Prevention Provider, and Recovery Support Provider serving Sacramento County.

MAAP, Inc.

Helping people create a safe and socially responsible community.

DID YOU KNOW? Statistics

- This year 10, 839 people will die in drunk-driving crashes-one every 50 minutes.
- High school students who use alcohol or other substances are five times more likely to drop out of school or believe that good grades are not important.
- MADD serves a victim or survivor of drunk driving every 10 minutes.
- An average drunk driver has driven drunk 87 times before first arrest.
- One in three 8th graders drinks alcohol.
- Every minute, one person is injured from an alcohol-related crash
- 50% to 70% of convicted drunk drivers continue to drive on a suspended license.
- One in five teens binge drink. Only 1 in 100 parents believes his or her teen binge drinks.
- Teen alcohol use kills about 6,000 people each year, more than all illegal drugs.
- Car crashes are the leading cause of death for teens and one out of three of those is alcohol related.
- Since 1980 MADD has saved 300,000 lives...and counting.
